Ride For Life Presentation

This years ride was nothing short of awesome. We had a record breaking number of machines and riders. The weather was as expected and all had a wonderful time.

This year our Ambassador was Zion (you can read his story at utahatv.com). Every year we work with Make A Wish Utah and provide the means to make wishes of children who suffer, along with their families a little relief. A wish come true helps children feel stronger, more energetic, more willing and able to battle their critical illnesses. For

many, the wish makes a turning point in the fight against their illnesses. Doctors, nurses and other health professionals say the wish experience works in concert with the medicine to make their patients feel better emotionally and even physically. That is why wishes matter. That is why Utah ATV Association works with Make A Wish Utah every year. With your help we have donated over \$600,000 and granted over 120 wishes to date.

This year was a wonderful year and we, along with your generosity were able to present Make A Wish a check in the

amount of \$64,663. We are so excited and grateful to all of you who donated and made a real difference in the lives of those who suffer through events in their lives. We look forward in another great coming year and ask that you join us for this great cause.

TICABOO RIDE

For the first time, for our monthly ride we introduced custom shirts with a new logo and stickers to our riders. Each monthly ride we have merchandise specific to that ride available. So make sure to join us for the monthly rides and take advantage of the new gear for sale. We hope you can join us for this amazing ride.

Presidents Corner

On the first day we left the staging area with 29 machines. Re rode velvet ridge to Bicknell. We then made our way towards pollywog reservoir. We rode through the rolling prairie and back to the staging area. We hosted our BBQ and enjoyed meeting new riders to our group.

On day 2 we left staging with 28 machines. Again we rode the velvet ridge. We then made our way to Boulder Top 1000 lakes area. We had lunch at Spectacle Lake. We ended up helping a group of hunters that were 11 miles from their machine. We are happy to report no major break downs or issues.

Merchandise Committee

Selling merchandise is one way to help the club with expenses to keep us afloat.

We now have Chapstick. Cherry and unflavored. \$2.00 each.

We are still taking orders for the club jackets, and we now have Club polo's. Jackets are \$60.00. If you want a name on it, it's an extra \$5.00.

If you want to purchase a long or short sleeve shirt and have the Let's Ride SXS or 4-wheeler on them, message Vickie. They are \$20.

We're planning to have the club merchandise at all club meetings and rides.

See ya's on the trail, hopefully styling with some Club flair!!!

Thank you to all those who have purchased merchandise, we appreciate it.

Welcome Committee

Welcome to all new members! We are thrilled to have you join this group. We are looking forward to getting to know you and making new friends and memories.

August found us welcoming new friends on the Ride for Life, for Make a Wish, from Deseret Peaks in Grantsville to Wendover Nev. We had an awesome time, with record numbers of machines and riders. The weather was hot, hot, hot, without a cloud in the sky. It was dusty and dry, but everyone managed to stay hydrated. During the ride we all enjoyed hot dogs, chips, soda, water, and cookies prepared by the fantastically amazing support team. What a wonderful way to support this great cause.

New members, reach out to the current club members and current members reach out to new members.
