### DELTA RIDE

This past month we had our monthly club ride in Delta. Remember, each month we hold a club ride. You can find more information at [utahatv.com](http://utahatv.com). We love to see everyone come out and have a great time. Don't forget we also have a barbeque right after the ride, we ask that you bring a prepared side dish to share.

The morning of the ride we had a wonderful presentation for Charlie Stevenson. He guided one of the clubs rides down in Sand Hollow. He was presented with a custom T-shirt that the club designed and printed for his help.

The ride started at 9am on Saturday and we had 43 machines. The trail was dusty but the views of Lace Curtain and others quickly made us forget. However, when we all returned we were dusty and tired. Sometimes the dust gets in your eyes, ears, mouth and even down in your clothes. Unfortunately we can't control the trails conditions and we always hope for the best. Always come prepared to the rides with the

proper gear. If you attend our clubs monthly meetings we always give advice as to what the trails will be like. Remember to always bring enough water to keep hydrated. Keeping extra gas is always a good idea. Bringing a lunch to enjoy when we stop for our lunch break. Preparing for a great ride isn't always easy but, if you do, the ride can be great.

### OUR SPONSORS

Sponsors play a vital role in our club. Without them so many of our events and prizes would be impossible. We as a club are so thankful to them and their generosity. They help us in so many other ways as well. Edge Powersports has allowed our club to meet in their facility to hold all our club meetings. Big Pine Sports has helped us to obtain our annual give-a-way of this years prize, a CanAm 4 seater side by side. That's just to name a couple of the dozens of sponsors. Without them there would be no Ride For Life campaign, with tons of prizes that everyone can win with simple donations. We have, as a club, been so thankful to them.

Look at our sponsors and shop with them and let them know you're there because of the club sponsorship they give to Utah ATV Association. You can find a full list of our sponsors on our web page and look for them on our Facebook page as well. Even our YouTube page can help you find our sponsors and see upcoming videos of some of our sponsors. So the next time out shopping consider visiting our sponsors and support them as they support us in making this club, Utah ATV Association, such a success!

## WHY COME TO THE MEETING

Every month the club members have the opportunity to meet. These meetings are held for, you our members. You get the opportunity to meet the Board Members as well as other members and non-members. We get to mingle and share experiences, discuss past and coming rides, meet new friends, win prizes, just to name a few of the fun things we do each month.

We have guest speakers who come and share their knowledge with everyone. We learn new ways of doing things, get great ideas and be able to discuss questions and so much more.

Meeting last about an hour each month. You'll learn about the upcoming month's ride. Where we'll meet, what to expect, hotel deals, where some plan to camp and more.

You'll have the opportunity to ask your questions, and get answers to them as well. There's never a dumb question. We have experts, and novices a like. You'll find the meetings are more like a large group of friends and family discussing a range of topics.

If you ever have a question, please reach out to the club and maybe we'll have a guest speaker take on your question. If not, bring your question with you to our meeting. If we don't know the answer we'll find someone who does. We have questions too and the club is one of the best ways to get answers and ideas from so many. You may even be able to help someone who has a question that you have an answer to as well.

We hope you'll join us for an awesome monthly meeting. Bring your friends and neighbors with you and have a great time with us.

We hope to see you there!
