## 2024 Ride Schedule with Update Lodging & Staging Information

The 2024 ride schedule is here. We will update this as more information is gathered. Questions?- reach out to the Ride Committee Chairperson, Wayne Arner at: [ridecommittee@utahatv.com](mailto:ridecommittee@utahatv.com)

**PLEASE NOTE: STAGING WILL BEGIN AT 9AM AND RIDES WILL START AT 10AM.**

**March 16th:** Silver Island Mtn. (Wendover): This will be a day ride. We will stage at 9am and depart at 10am. Travel to exit 4 on I-80 (about 117 miles from SLC). Turn right and travel norther 1.2 miles on North Bonneville Speedway Rd. Turn left on Lep- py Pass Rd. and travel .7 miles and bear right on Silver Island Rd and travel .2 miles to the staging area. There is dry camping available at the trailhead. Look for the Club trailer. We will follow a route around the base of the mountains viewing several scenic spots. This trail will be mostly easy and be between 80-100 miles so you may want extra gas. If you want spending the night in Wendover is an option.

\*\*If you want to sign up for the separate Danger Cave DNR guided tour, this will start promptly at 8am from the trailhead and a separate \$20 fee is required. To sign up, please email [ridecommittee@utahatv.com](mailto:ridecommittee@utahatv.com)

**April 19th & 20th:** San Rafael Swell (Green River)

April's club ride will be occurring April 19th and 20th in the San Rafael Swell. Staging will occur immediately south of the interstate on Exit 131. This is about 30 miles west of Green River. There will be free BLM camping options north of the staging area (within a quarter mile) and the nearest hotels will be 30 miles away in Green River. The trails will be mostly easy with some moderate spots. Friday's ride will be around 50 miles with the Club bbq to follow. Saturday, the ride will be about 85-90 miles. Will start stag- ing at 9am and depart at 10am sharp.

**May 17th & 18th:** Kanab

May's club ride will be occurring May 17th and 18th in the Kanab area. Staging is anticipated to occur near the Crocodile/Johnson trailhead. From the Kanab Visitor Center (BLM), travel east on Highway 89 for 8.6 miles. Turn left onto Johnson Canyon Road. Follow Johnson Canyon Road for 7.8 miles before reaching the anticipated trailhead on the left-hand side of the road. There are paid and BLM camping options in the area near the trailhead. Lodging options will be best in Kanab. Once the exact staging area is identified, the website and Facebook will be updated. We will stage at 9am and depart promptly at 10am.

**June 15th:** Fairview/Skyline Drive; Arapeen Trail

This will be a day ride and will stage at the large snowmobile parking lot at the top of Fairview Canyon. It is approximately 73 miles from Sandy, UT and will take about 1.5 hours travel time due to driving up the canyon road. This ride will be about 80-90 miles, but generally rated as easy and scenic! We will stage at 9am and depart promptly at 10am.

PLAN YOUR RIDES NOW FOR 2024!!!

## 2024 Ride Schedule with Update Lodging & Staging Information

The 2024 ride schedule is here. We have updated the rides to include known or best guess information so you can start planning to join us while still being able to make plans to camp or have time for lodging reservations. We will update this as more information is gathered and will be added to the website at [www.utahatv.com](http://www.utahatv.com) as well as The Club's Facebook page. If you have any questions feel free to reach out to the Ride Committee Chairperson, Wayne Arner at: [waynearnerutahatv@gmail.com](mailto:waynearnerutahatv@gmail.com).

### July 19th & 20th: Fishlake

This ride will be staging at Fish Lake Day One. The exact location will be determined later. The first days ride (19th) will occur around the Fish Lake forest area. Day Two (20th) will stage out of Koosharem (16 miles from Fish Lake). Street legal machine can ride from the campsite to Koosharem. Day Two we'll ride from Koosharem over to Richfield and back. There is public BLM camping in the area as well as cabin/RV spots are reserved at [www.fishlakeresorts.com](http://www.fishlakeresorts.com). There are hotels in Loa (25 minute drive), Bicknell (36 min drive), and Richfield (46 min. drive). Both days will stage at 9am and depart promptly at 10am.

### August 23rd & 24th: Panguitch

This will be staging at the Henrie's Hitch-N-Post RV Resort in Panguitch. There are camping options there as well as an array of hotel lodging options close by in town. For this ride, we will be riding with the Cedar City Trail Blazers. Rides will include scenic mountain trails surrounding the Panguitch area. We will stage at 9am and depart at 10am.

### September 7th: 50" ONLY; Gooseberry System

This will be a day ride. Exact staging info and times will be coordinated and sent out as we get closer.

### September 28th & 29th: Ride for Life (Wendover)

There will be much more information forthcoming about the 40th Annual Ride for Life event this year.

### October 19th: Marjum Pass (Delta)

This will be a day ride staging west of Delta near the U-Dig Fossil Quarry. This is about 168 miles from Sandy and will take approximately 3 hours to travel to. If you choose, Delta has an array of hotel options and the staging site will have free BLM camping options. We will stage at 9am and depart at 10am.

### November 9th: 5-Mile to Eureka

This will be a day ride, staging on the southwest parking lot of the 5-Mile Pass recreation area near the Pony Express Trail. (Same spot as we did in November 2023). **We will stage at 8am and depart at 9am due to sunset times.**
